PERMISSION TO COMPETE IN NON-ISU CALENDAR EVENTS

For permission to compete in competitions conducted by ISU members that are not on the ISU Calendar, the athlete is to apply to their State who in turn requests the approval from ISA.

ISA Administration will issue the approvals.

Please note:

- The competitions that are excluded from this approval are all of those competitions covered in ISU Communication 2007 (ISU calendar of international events), or subsequent Communications.
- The competitions must be sanctioned by an ISU Member.
- You are reminded you must familiarise yourself with ISU Rule 102.
- Permission letters will be granted only for the current season.

After permission is granted, athletes will be required to advise administration@isq.org.au and high.performance@isa.org.au at the time of entering the event, of the competition details:-

- Date
- Location
- The Level of the entry

After the competition, athletes must advise the results of the competition to ISA Administration.
