

Ice Skating Australia JUDGES AND OFFICIALS REPORT 2022-2023 Season

Dear Board

I am pleased to submit this report on the years' activities.

First, my sincere thanks to all the judges and officials who have given their time freely during the year for the sport we all love.

TRAINING

Updated training sessions have been held around the country throughout the season.

ISA has modules online for judges and technical officials plus ISU has great e-learning modules available to Intl/ISU officials.

OFFICIAL APPOINTMENTS

This season we had a number of our judges/officials at ISU/International events with our skaters. Our ISU officials were appointed to many high level events by the ISU. It was great this season our officials were able to travel again and continue to officiate.

Australia has earned a good reputation internationally for judging and technical skills. Training will continue to strengthen judges and officials at all levels of the sport domestically.
