## **Sienna Kaczmarczyk Junior Women Queensland**

It was a tremendous honor to be awarded the Morgan Innes Scholarship for 2023.

This was encouraging news for me as in September 2023 I endured a horrible accident landing a triple Lutz causing a serious injury to my ankle that required surgeries.

I was also privileged to be able to represent Australia in South Korea at the Winter Youth Olympic games 2024.

The scholarship was used towards a 3 week summer camp at the Richmond Olympic Oval Vancouver, where the winter Olympics were held in 2010.

I was training in the top group with other elite skaters and their coaches, such as Keegan Murphy, who helped me, regain my confidence since my injury and gaining all my triples back.

I will be forever grateful for ISA and the Morgan Innes foundation in giving me this incredible opportunity to help my belief, confidence, drive, passion and growth on improving my skating into Senior.
