ISA Communication 169

Preliminary and Elementary Singles – ISA Level Features

(This communication replaces ISA Communication 157)

Date Approved: March 2025

Effective Start Date: 1 February 2025

1. Purpose of the Communication

To provide information on ISA additional Level Features for Preliminary and Elementary Singles Free Programs.

2. Application of the Communication

2.1 ISA additional Level Features will be applied to all Preliminary and Elementary Singles Skating competitions held under ISA By-Laws Section 6 - Championships and Competitions hosted in Australia from 1 February 2025.

3. Communication Details

To continue to promote good basic spin foundations, an additional ISA Level Feature will be introduced for Elementary Singles. This is in addition to the current ISA Level Feature for Preliminary Singles.

Preliminary

ISA Level Feature:

- Basic Sit Spin position held for 6 continuous revolutions in any spin will be awarded a Level Feature

Conditions

- Feature counts only once per program.
- Without changes in position/variation, foot or edge.

Elementary

ISA Level Feature:

- Basic Camel Spin position held for 6 continuous revolutions in any spin will be awarded a Level Feature

Conditions

- Feature counts only once per program.
- Without changes in position/variation, foot or edge.
