Program Component Comments

Pass Mark Criteria
No element to have more than one (1) GOE of -5 **or;**
No more than two (2) elements with GOE of -3 or less
Only one (1) jump element can receive the equivalent of a downgrade from the intended number of revolutions.
Maximum of two (2) repeats permitted from the executed elements without music. • The element(s) to be repeated must be from the elements already executed, either one element twice or two elements once each. • No substitutions of elements are permitted from those already executed.
Assessment will take into consideration the grade of execution of the elements and the program components in determining a Pass or Fail. Tests will be assessed in accordance with the latest ISU Communication Guidelines for marking Grade of Execution.
